

Elements Surveying Group

Sample report & placeholder document

This is a placeholder sample report.

The full anonymised example will be made available shortly.

For an immediate copy, please email enquires@asbestossurveyingandtesting.com or call 0208 036 1099 and reference 'Management Survey sample report'.

Each real sample report includes:

- Scope statement and survey methodology (HSG 264)
- Floor-plan overlays with colour-coded ACM register
- Photographic register with location references
- UKAS 17025 laboratory certificates
- Prioritised material risk and recommendations
